THE FACTS...

AN EXPANSION OF GILLINGHAM SERVICES WAS RECENTLY GRANTED BY SOUTH NORFOLK COUNCIL

- This expansion will double the size of the existing and will result in more traffic, more light pollution, more noise, more litter and the LOSS of open countryside, wildlife and habitats
- It will detract from Beccles' businesses and local trade and is entirely inappropriate in both scale and purpose
- Advice has been sought from one of the country's most respected and specialised legal teams who believe there is a strong case against the council's decision
- A Community Interest Company (Friends of Gillingham (Norfolk) Countryside CIC) has been created to help fight this case
- A fundraising effort is now being launched to help cover the legal costs of a Judicial Review

DON'T LET GREED & ILL-INFORMED COUNCILLORS DESTROY OUR VILLAGE & COUNTRYSIDE!

"Our rural and appealing location is at real threat of being 'rebranded' as an industrial area rather than the charming Broadlands village it is"

Whilst this call-to-action is centred on the services expansion, Friends of Gillingham Countryside CIC has been established to identify and raise awareness of any issues that may adversely impact the local countryside and our village life and is structured to be able to instigate a legal challenge where appropriate.

In this respect, we are also keeping a close eye on two more planning proposals submitted by the same landowner for our small village – land to the south and land to the north of The Street.

YOU CAN HELP NOW in the fight to overturn South Norfolk Council's decision to allow the expansion of Gillingham Services by making a donation to:

WWW.CROWDJUSTICE.COM/CASE/JUDICIAL-REVIEW-GILLINGHAM-SERVICES-PLANNING/

We have just 30 days to reach our launch target of
£10,000

Therefore, every donation, no matter the amount, is
absolutely vital!
